Monday November 24, 2025 Town Board Meeting
Odon Fire Department Report

- Clothing allowance is attached to this report.
 - I would like to see if TJ Palo could still receive his clothing allowance, up until he resigned he had made the 2nd most runs and almost all the meetings we had this year. I think he deserves to still receive his clothing allowance. The amount he was supposed to get was \$400. I will leave it up to the three of you to decide if he should still receive this amount.
- Engine one was looked at by Nicholes Fire and Fleet 2 weeks ago to fix the hydraulic oil pump. I have yet to receive any quotes at this time. I will call and check up on that and hopefully have that to you by meeting night.
